Why Rent Instead of Buying?

Purchasing laptops requires a significant upfront investment, especially for short-term needs. Renting offers a smarter alternative.

Key benefits of renting:

Rentals starting from AED 46 per day – Affordable rates for any budget

Daily, weekly and monthly plans – Choose the duration that fits your project

Latest laptop models – Access to Dell, HP, Lenovo, Apple MacBook and ASUS devices

Fast delivery across Dubai and the UAE – Get devices when and where you need them

Bulk rental options – Ideal for events, training and corporate projects

Technical support – Professional assistance and quick replacements if needed

No maintenance or storage costs – Return devices after use

Cost comparison: Renting an i5/8GB laptop costs around AED 1,500 for 30 days (AED 50/day), compared to buying the same laptop for AED 3,200. For an i7/16GB model, rental costs AED 2,400 for 30 days versus AED 6,200 to purchase.

Who Benefits from Laptop Rentals?

Businesses – Temporary staff, new hires, project teams and software testing

Corporate Events – Conferences, exhibitions, training sessions and registration desks

Students – Remote learning, exams and group projects at universities like Heriot-Watt, AUS and Zayed University

Training Institutes – Coding bootcamps, certification programs and workshops

Event Organizers – Product launches, exhibitions and registration counters

Laptop Rental Plans Available

Daily rentals – Perfect for one-day meetings, interviews and presentations. Daily rates start from AED 46.

Weekly rentals – Suitable for training sessions, workshops and short projects. Weekly rates come with a 20-25% discount compared to daily rates.

Monthly rentals – Ideal for temporary employees, student semesters and ongoing projects. Monthly plans offer 40% off standard daily rates.

Bulk rentals – For corporate events, exhibitions and large training programs. Providers can supply:

10-25 laptops for small teams

50-100 laptops for mid-size events

500+ laptops for large conferences and exhibitions
